PROJECTS

E-commerce website (TYAGI@STORE)

[Visit Now](#)

when I was though about the E-commerce website, suddenly in my mind click on that idea and then using **HTML, CSS & JS** develop this **TYAGI@STORE** . but after some days am working on that project using **REACT JS**, and add some **Database** for make more responsive it.

Portfolio (NIPUN TYAGI)

[Visit Now](#)

Before develop this website I research on UI design of portfolio but i see that design and do able to design using **HTML, CSS & JS** . After that it's amazing portfolio website according my skills.

CREDENTIAL

DSA Completion Certificate

[Visit Now](#)

During DSA cohort **Mr. Mo. Fraz** was my instructor and really he is a good one that solve my actual doubts in DSA Problems and I was able to **solved above 70%** coding problems these are provided by **NextLeap** platform here, was on complete my cohort in it.
